DEC (DN 2019-331-E) [IMAN-CLIENTS.FID280621]

I Enrique McMillion Jr. plaintiff of 2019-331-E hereby make a motion to strike DECLLC (defendant) answer and motion to dismiss from the record, as I am still awaiting a response on the motion for extension by the commission. As I have requested it is my wish to have the motion for extension ruled upon by the commission before any other motions are presented. In short do I receive the 120 day extension to file testimony, and if not who has made this determination?
